@ FISHSLAB GALLERY SUBMISSION FORM**

Jon Bird competition 2025

This year the Fishslab Gallery will be once again celebrating the memory of Jon Bird, one of the founders of this unique community Gallery.

The competition invites local artists to enter new work based on the theme 'Environment'. All artists are welcome, and we are encouraging students from The Whitstable School and Canterbury College to take part. Work in any medium will be considered. Entries will be selected by artists on the Fishslab committee and shortlisted artists will be shown in an exhibition and could be awarded prizes. The competition will be promoted on the Gallery website and social media. Please see the Fishslab Gallery website for application forms and further details.
